

Joint Progress Seminars

Tuesday, Jan. 22th 2019, 16:15 p.m.
Seminar room "Nucleus" (FLI)

Speakers are:

Kefan Yang

(Biophysics, CMB)

**Modulation of A-type potassium channels
by stress mediators**

Michael Kauk

(Molecular Cell Biology, CMB)

**Pathway-specific dualsteric ligands and partial
agonists used to study muscarinic receptors**

Chair: Roland Schönherr

Welcome!
